

The background is a dark teal color with stylized, dark green tree silhouettes. In the bottom right corner, there are several black, pointed shapes representing bushes or tombstones, with glowing yellow and green eyes or lights peeking out from behind them. The text is centered in a yellow, jagged, horror-style font.

# CHANGES BASED ON RESULTS

- Remind messages will be sent once our meeting slides are posted on website
- Remind messages will be sent on non-HOSA meeting Mondays
- Remind messages will be sent once hours on the spreadsheet are updated

ANSWER TO QUESTIONS  
FROM THE SURVEY

# HOW DO HOSA CHAPTER ELECTIONS WORK?

- 🔑 An interest form will be given out before the end of this semester to see who is interested in becoming a HOSA officer
- 🔑 Recommended Mentorship program next semester led by the current officers
  - Learn the roles of each officer
- 🔑 Candidates will later complete an interview with the officers and we will slate candidates in positions we think best fits them
- 🔑 During our last meeting Speech is given + elections are done by membership for that position
- 🔑 People running for WCTA HOSA office cannot be officers in any other WCTA clubs or organizations

# DO YOU LIKE SONIC?

🔑 Depends which officer you ask...

Preeyom

“The food or movie?”

Milena

“Yeahhh, I guess”

Vanessa

“Is this about the Hemophilia walk??”

Logan

“Like the fast food establishment?”

Chloe

“Huhh? No??”

Lily

“It’s okay, I guess”

# DO WE NEED TO RECORD OUR SERVICE HOURS?

- No, we track your hours when you sign in and out with us at events
- Exception is with outside, non HOSA-sanctioned events & OV Thrift volunteering
- For those, please get the supervisor to sign a paper approving your alleged hours

# WHEN WE SEND SERVICE EVENT CONFIRMATION PICTURES, DO WE SEND IT TO VANESSA?

- Yes and No...
- **No:** Send it through the event-specific remind
- **Yes:** I'd say a good 49.97% of the time it's Vanessa, the other 49.97% is Lily and about 0.06% is everyone else

# MEDICAL FACT!

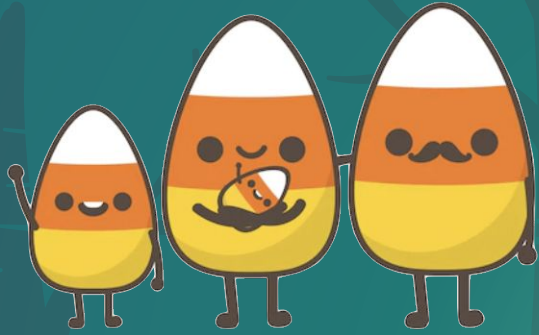

The background is a dark teal color with various Halloween-themed illustrations. In the top left, there's a large, stylized tree silhouette. In the top right, a full moon is partially obscured by a tree branch, with a small black bird perched on it. In the bottom left, there's a silhouette of a castle with lit windows and a winding path leading to it. In the bottom center, there's a silhouette of a witch's head with glowing yellow eyes.

Childhood allergies are most likely connected to your birth weight. A study in 2019 showed that for each kilogram increase in birth weight, infants had a 44% increased risk of childhood food allergies (Wooldridge, 2019).
