Disclaimer

The WCTA HOSA officers strongly urge you to go to the correct station based on your first name. At the stations, we will have boxes for the First-Aid Kits, which have been sorted by your first name. That being said, if your name is "Zeke," you will not be finding your order in the A-C group. If such a case arises, you will do well to feel the public humiliation as you walk all the way to the S-Z group. Thank you! - Vanessa

NOTES FOR MENTEES!

1. Hi Mehaan, Jolene, & Makenzie!
 2. The slides that you four need to cover are: Meet the Mentees, your individual introduction slide, semester 2 meeting dates, port of subs, medical fact of the day, medical joke of the day.
 - We're going to add other slides, but don't worry about those, the current officer team will be presenting them ^^
 3. Decide how you want to distribute them amongst yourselves and in the speaker notes, write your name if you're speaking it. You may also add mini notes for yourself since we have speaker notes pulled up on someone's phone during the meeting
 4. We also use the comment feature while making slides to get feedback from other officers
 5. Reference our past slides on our website if needed
 6. FYI... the officer team has nicknames for each other... most are relatively self-explanatory, but yeah, just a heads up
 7. Bother preeyom the treeyom if you gots questions -van
 8. Good luck!
- 

Meet the Mentees!

Mehaan Jain

9th Grade Biomed

I joined HOSA because I am interested in the medical field and thought that it was a great club. A fun fact about me is that I love cars!

Makenzie Garner

9th Grade Environmental

I joined HOSA at first as a club or a getaway after school, however, I have learned so much and grown and made so many connections I don't think I would have. Through hosa I have been able to experience different aspects of the medical field.

Jolene Chen

9th Grade Biomed

When I found out that about a medical club at this school, I knew that I had to join. I have always shown an interest in the medical field, so this club appealed greatly to me. I have enjoyed these last couple months in this organization and plan to spend the rest of my high school career dedicated to it.
