Icebreaker

The background features abstract watercolor splashes in shades of blue and purple. In the bottom-left corner, there are yellow and white dots, some of which are arranged in a circular pattern, suggesting a globe or a similar geometric shape.

What is HOSA?

HOSA Future Health Professionals is a student-led organization for young leaders looking to pursue careers in the healthcare industry.

HOSA aspires to provide opportunities for students, broadening their knowledge, skill, and leadership.

With HOSA, students get to obtain experiences in healthcare-related events and competitions to further expand their knowledge.

“

The mission of HOSA is to enhance the delivery of compassionate, quality health care by providing opportunities for knowledge, skill and leadership development of all health science education students, therefore, helping the students to meet the needs of the health community.

”

The background is an abstract composition of colors and textures. It features large, soft-edged areas of light purple and pale blue, interspersed with darker, more saturated purple and blue patches. Fine, golden-yellow streaks and speckles are scattered throughout, particularly in the upper right and lower right quadrants. The overall effect is a vibrant, artistic, and somewhat ethereal atmosphere.

The background is an abstract composition of various colors and textures. It features large, soft-edged areas of light purple and pale blue, interspersed with darker, more saturated purple and blue patches. Numerous small, dark blue or black dots are scattered across the lighter areas, resembling a starry sky or a splatter effect. A prominent, thick, yellowish-gold streak curves across the lower right portion of the image, adding a sense of movement and contrast. The overall effect is vibrant and artistic, typical of a modern graphic design.
